

Responsible Recycling Services

1 Day Electronics Recycling Event COVID Guidelines

All RRS Employees will maintain a safe distance from residents when possible.

All RRS Employees will wear a face covering and gloves.

All Residents handling money/envelope will have mask on while corresponding with RRS Staff.

Event flyers will reflect changes for COVID including instructions to remain in car at all times, prepare all money/checks prior to event and bring in an envelope.

Signs at events that include instructions to remain in cars at all times for everyone's safety.

Sites for events will be selected with specific and separate ingress and exit for traffic allowing for double lines of cars if necessary, to keep traffic from backing up on the street. If a municipality representative is not present for traffic control, RRS will assign an employee for this task.
